3.4 Client representative

委托人应授权一名熟悉工程情况的代表，负责与监理人联系。委托人应在双方签订本合同后 7 天内，将委托人代表的姓名和职责书面告知监理人。当委托人更换委托人代表时，应提前 7 天通知监理人。

The Client shall authorize a representative familiar with the Project to contact with the Supervisor. The Client shall notify to the Supervisor with a written report on the name and duties of the representative within seven days after the conclusion of the Contract. The Client shall inform the Supervisor seven days in advance of any change of the representative.

3.5 委托人意见或要求

3.5 Opinions and requirements of the representative

在本合同约定的监理与相关服务工作范围内，委托人对承包人的任何意见或要求应通知监理人，由监理人向承包人发出相应指令。

Within the scope of the Supervision and Related Services specified in the Contract, the Client shall notify the Supervisor of any opinion and/or requirement on the Contractor, which shall be given to the Contractor by the Supervisor.

3.6 答复

3.6 Reply

委托人应在专用条件约定的时间内，对监理人以书面形式提交并要求作出决定的事宜，给予书面答复。逾期未答复的，视为委托人认可。

The Client shall offer a written reply to the Supervisor on matters submitted in writing requiring a decision within the time specified in the Particular Conditions. Approval from the Client shall be deemed without a reply within the time limit.

3.7 支付

3.7 Payment

委托人应按本合同约定，向监理人支付酬金。

The Client shall pay the Supervisor according to the Contract.

4. 违约责任

4. Liability to breach of Contract

4.1 监理人的违约责任

4.1 Liability of the Supervisor for breach of the Contract

4.1.1 监理人赔偿金额按下列方法确定：

4.1.1 The amount compensated by the Supervisor shall be calculated as:

赔偿金 = 直接经济损失 × 正常工作酬金 ÷ 工程概算投资额（或建筑安装工程费），但最高赔偿金额为本项目的全部监理费用。

Compensation = direct financial loss × payment for Regular Work ÷ project investment budget (or construction and installation cost). Maximum compensation shall be all supervision expense of the Project.

4.2 委托人的违约责任

4.2 Liability of the Client for breach of the Contract

4.2.1 委托人逾期付款利息按下列方法确定：

4.2.1 The interest on overdue payment of the Client shall be calculated as:

逾期付款利息 = 当期应付款总额 × 贷款市场报价利率 × 拖延支付天数

Interest on overdue payment = current total payables × Loan Prime Rate × days of the delay in payment

5. 支付

5. Payment

5.1 支付货币

5.1 Currency for payment

币种为: 人民币, 比例为: 按 30%、30%、30%、10%进行支付。

Currency: RMB, Proportion: 30%, 30%, 30% and 10%.

5.2 支付酬金

5.2 Payment for work

工作酬金的支付:

Payment for work:

支付次数 Payment times	支付时间 Payment time	支付金额/比例 Payment amount/proportion	备注 Remarks
预付款 Advance payment	本合同签订后的 5 个工作日内 (以委托人收到双方盖章后的合同日期为准), 监理人员进场前 Within 5 workdays after conclusion of the Contract (The payment date is started from receiving the contracts sealed both by the Client and Supervisor), and before supervising personnel's mobilization	监理总费用的 30% 30% of the total supervision expense	
第二笔款 The second payment	监理人员进场后 30 天内 Within 30 days since the Supervisor's mobilization	监理总费用的 30% 30% of the total supervision expense	
第三笔款 The third payment	监理人员进场后 60 天内 60 days since the Supervisor's mobilization	监理总费用的 30% 30% of the total supervision expense	
尾款 Balance payment	项目并网后 7 个工作日内, 最迟不超过监理人员进场 180 天 7 working days since operation of the project, not more than 180 days since the Supervisor's mobilization	监理总费用的 10% 10% of the total supervision expense	

备注: 监理超期费用按 1000 元/人.天计算, 委托人每月 10 日前支付监理人上个月的监理超期费用, 所有付款均以监理单位按照委托人要求开具合格的发票为前提。发票为江苏专用增值税发票, 服务名称为工程监理费, 税率 6%。

Remarks: Extended supervision expense is 1000 yuan/person/day. It is calculated on a daily basis. The

Client will pay extended supervision expense of the last month to Supervisor before the 10th day of each month and the payment is subject to the qualified invoice issued by the supervision unit at the request of the client. The invoice shall be the special VAT invoice of Jiangsu Province, with the service name of engineering supervision expense at a rate of 6%

监理期限：自监理人员进场至竣工验收，累计周期不超过 60 天

Supervision period: No more than 60 days accumulatively from the Supervisor's mobilization to the completion and acceptance.

6. 合同生效、变更、暂停、解除与终止

6. Validity, Change, Suspension, Cancellation and Termination of Contract

6.1 生效

6.1 Validity

本合同生效条件：自合同双方盖章签字生效。

Conditions for the Contract to be effective: the Contract shall come into effect upon signature and stamping by both parties.

6.2 变更

6.2 Change

6.2.1 因非监理人原因导致本合同期限延长时，应提前两日通知，在现场工作的人数根据现场情况而定。

6.2.1 Extension of the contract term due to non-supervisor's reason shall be notified two days in advance and the number of personnel working on the site is determined according to the site condition

6.2.2 附加工作酬金按下列方法确定：

6.2.2 Payment for additional work shall be calculated as:

附加工作酬金=善后工作及恢复服务的准备工作时间（天）×正常工作酬金÷协议书约定的监理与相关服务期限（天）

Payment for Additional Work = time for the remedies and the preparations for service resumption (days) × payment for Regular Work ÷ the term of the Supervision and Related Services specified in the Agreement (days)

6.2.4 因工程规模、监理范围的变化等非监理人原因导致监理人的正常工作延长时，监理延期费用定为 1000 元/天.人计算。因工程规模、监理范围的变化导致监理人的正常工作量减少时，根据现场情况调整减少酬金。

6.2.4 If the supervisor's normal work is prolonged due to non-supervisor's reason such as change of the project scale and supervision scope, payment for the extended supervision shall be 1000 yuan/day/person. If the supervisor's normal work is reduced due to change of the project scale and supervision scope, corresponding payment shall be reduced according to the site condition.

正常工作酬金减少额按下列方法确定：

Decrease of payment for regular work shall be calculated as:

正常工作酬金减少额=工程投资额或建筑安装工程费减少额×正常工作酬金÷工程概算投资额（或建筑安装工程费）

Decrease of payment for regular work = decreased project investment or decreased construction and installation cost × payment for regular work ÷ project investment budget (or construction and installation cost)

6.2.5 本合同约定工期范围内，由于非可归责于监理方的原因导致项目延期，监理方可安排其现场人员其他工作，该等情形下相应天数不计算在工期范围之内。

6.2.5 In case of project delay due to non-supervisor's reasons during project period specified in the contract, the supervisor may arrange other works for the on-site personnel. In this case, corresponding number of days shall be excluded from the project period.

7. 争议解决

7. Dispute Settlement

7.1 调解

7.1 Mediation

本合同争议进行调解时，可提交双方认可的第三方进行调解。

Disputes over the Contract shall be submitted to the third party recognized by both parties for mediation.

7.2 仲裁或诉讼

7.2 Arbitration or lawsuit

合同争议的最终解决方式为下列第二种方式：

The second method listed below is selected as the final method to resolve disputes over the Contract:

(1) 提请合同项目所在地仲裁机构仲裁委员会进行仲裁。

(1) Submit it to the Arbitration Committee in the place in which the contract project is located for arbitration.

(2) 向合同签署地有管辖权的人民法院提起诉讼。

(2) File a lawsuit to a people's court with jurisdiction in the place where the contract is signed.

8. 其他

8. Others

8.1 保密

8.1 Confidentiality

委托人声明的保密事项和期限：XXX。

The confidential matters and term stated by the Client: XXX .

监理人声明的保密事项和期限：永久。

The confidential matters and term stated by the Supervisor: Permanent.

第三方声明的保密事项和期限：XXX。

The confidential matters and term stated by the third party: XXX .

8.2 著作权

8.2 Copyright

监理人在本合同履行期间及本合同终止后两年内出版涉及本工程的有关监理与相关服务的资料的限制条件：无。

The limit conditions for the data concerning the Supervision and Related Services in the project, which is published by the Supervisor during the implementation of the Contract and within 2 years after the termination of the Contract: None.

9. 特别约定

9. Special agreements

9.1 监理工作人员属于监理方公司员工，委托人及委托方相关单位非经监理方书面许可不得以任何理由或方式在服务期间或技术服务结束后一年内聘为己用。否则委托人应支付人民币（大写）贰拾万元整（¥200000.00 元）作为违约金给监理方。监理方并有权要求委托人赔偿监理方因此造成的损失。

9.1 The supervision personnel work for companies of the Supervisor. The Client and companies related to the Client shall not employ such supervision personnel in any forms for any reason within service period or within one year after end of the technical service without written consent of the Supervisor. Otherwise, the Client shall pay RMB (in words) two hundred thousand (200,000.00 yuan) to the Supervisor as the liquidated damages. The Supervisor is also entitled to ask the Client to compensate for its losses resulted therefrom.

9.2 因双方协商一致，使用监理云，委托人相关人员有义务协助和监督监理人现场监理人员使用好本项目监理云系统，委托人相关人员有义务按时向监理人反馈附件《正衡监理云平台服务评价表》。

9.2 If both parties negotiate to use supervision cloud, related personnel of the Client have the obligation to help and supervise on-site supervision personnel of Supervisor to use supervision cloud system of the project and they shall also feedback appendix *Zhengheng Supervision Cloud Platform Service Evaluation Form* to Supervisor on schedule

9.3 监理人有义务向委托人提交工程监理资料，工程监理全过程监理人应移交的监理资料详见附件《工程监理资料移交目录清单》，超出清单范围不属于监理人义务范围。

9.3 Supervisor has the obligation to submit project supervision materials to the Client. Refer to the appendix *Project Supervision Material Handover Directory List* for supervision materials to be handed over by Supervisor during the whole project supervision process. Those beyond such list are not Supervisor's obligations.

9.4 监理人项目监督工作内容：

9.4 Supervisor implements the following project supervision:

1、参加图纸会审和设计交底会议，提出合理的意见；合理提出设计变更，但须经委托人确认批准后方可实施。

1. Participate in joint checking of drawings and technical disclosure meeting and propose reasonable advices; propose reasonable design change but subject to the Client confirmation and approval by the Client before implementation

2、审批承包单位施工组织设计、重要施工方案等相关策划文件；审批单位工程开工报审、分包商资质报审、施工现场质量管理检查记录、工程验收质量项目划分等报审文件。

2. Approve related planning documents submitted by the Contractor such as construction organization design and key construction schemes; in charge of commencement approval of unit project, subcontractor's qualification approval, quality management inspection record on the construction site, engineering acceptance quality project division and other approval documents

3、参与施工单位组织的分项、分部工程质量验收，组织单位工程完工质量验收，经委托人同意代表委托人签署相关验收文件；参与隐蔽工程验收，经委托人同意代表委托人签署相关验收文件。

3. Participate in quality acceptance of the subproject and partitioned project organized by the construction unit; organize completion quality acceptance of the unit project; sign related

acceptance documents after approved by the Client; participate in acceptance of the concealed works and sign related acceptance documents after approved by the Client.

4、现场发现不合格材料设备和不合格工序，负责向责任单位发出联系函要求整改并跟踪

4. Send contact letter to the responsible unit in case of disqualified materials, equipment and process found on the site and ask for rectification and tracking

5、参与现场质量事故的分析及处理，经委托人同意代表委托人审批事故处理方案与结果。

5. Participate in analysis and treatment of on-site quality accidents; approve accident handling schemes and results after approved by the Client

6、协调好施工、设计等各方关系，处理相关事宜，重要协调事宜应采用联系单方式进行。

6. Coordinate relationship such as the constructor and designer and handle related matters; handle key coordination matters in the form of contact letter.

7、协助委托人向施工单位移交场区控制网测量的原始资料，要求施工单位对原始资料进行复核，确认满足精度后方可使用。

7. Help the Client to hand over original measurement data of the site control network to the construction unit and ask the construction unit to recheck the original data. Such data is available after its accuracy is confirmed.

8、协助委托人工程量计量签证

8. Help the Client on quantities measuring visa.

9、协助委托人进行工程启动并网验收、工程试运和移交生产验收、工程竣工验收。

9. Help the Client on project kick-off & operation acceptance, project commissioning, handover matters for production acceptance and project completion acceptance.

10、监理人需向委托人汇报工作，包括并不限于日报、施工进度、现场问题等。

Supervisor shall report works to the Client, including but not limited to daily report, construction progress, on-site problems, etc.

附录 A 相关服务的范围和内容

Appendix A Scope and Content of Related Services

A-1 施工调试阶段：按照国家的相关法律法规、投资方要求的建设标准、本项目的设计文件、光伏电站建设规程规范等进行监理工作，根据监理合同要求，进行现场的监理服务工作，包括“三控二管一协调，以及一履职”。

A-1 Construction debugging phase: Implement supervision according to national laws and regulations, investor's construction standards, design documents of the project and photovoltaic power station construction procedures and specifications; provide supervision services on the site according to the supervision contract requirement, including “project progress control, project quality control, project investment control, contract management, information management, overall organization coordination and performance of duty”.

A-2 保修阶段：无此项服务内容。

A-2 Warranty phase: No service content.

A-3 其他（专业技术咨询、外部协调工作等）：如增加专业咨询工作，需要另行签订补充协议，对外协调工作由委托人单位负责。

A-3 Others (professional technical consultation, external coordination work, etc.): in case of additional professional consultation, supplementary agreement shall be signed separately and the Client is responsible for external coordination.
